

PHASE I

# Trauma-Informed Schools System

## Our Process - A Partnership with Oregon Research Schools Network

### First Training

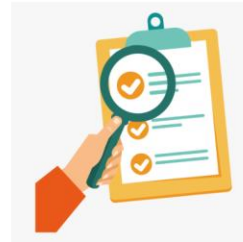

School teams met to watch microPDs and to ensure implementation of TISS inside the school.

### Whole Staff Training

Participants take what they learned from the microPD back to their school and train the whole staff.

### Assessment

A team of University of Oregon experts work with SCESD and focus on implementation science and evaluating to ensure the content is implemented successfully.

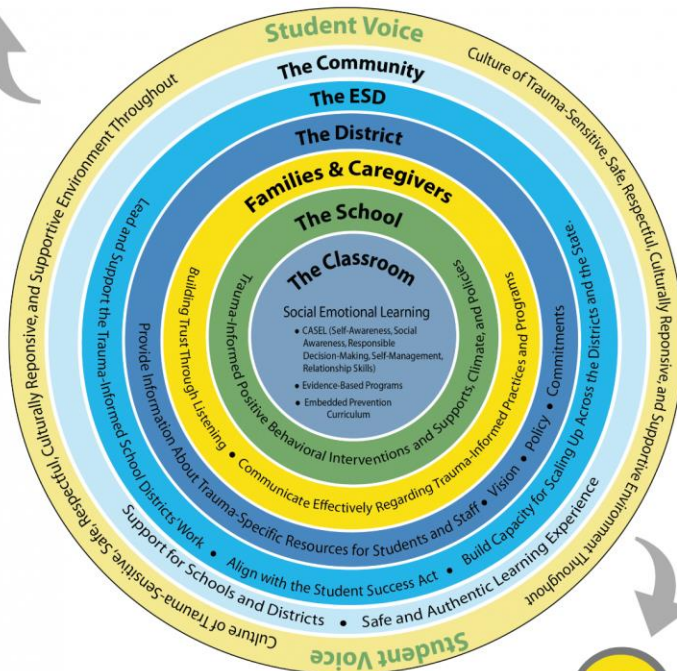

### Next Training

## Our Focus - The Circle of Triumph

**PHASE I: The Classroom and The School (2021-22 Focus)**  
Training focused on the classroom, the school climate, and Positive Behavioral Support.

**PHASE II: Families & Caregivers (2022-23 Focus)**  
Training will focus on families and caregivers. A team of UO experts will continue working with the South Coast ESD to focus on implementation science and to evaluate to make sure the content is implemented successfully.

## Our Training & Success

SCESD/ORSN microPDs and the percentage of participants who "Strongly Agreed" or "Agreed" that the training was relevant and helpful.

### Trauma Foundations

### Trauma Healing

### Building Trust

### School Climate

### Discipline & Building Relationships

### Responding to Behavior
